of Presbyterian Junior College

“Thou Wert My Guide,

Philosopher, and Friend"

Alexander Pope

FOREWORD . . .

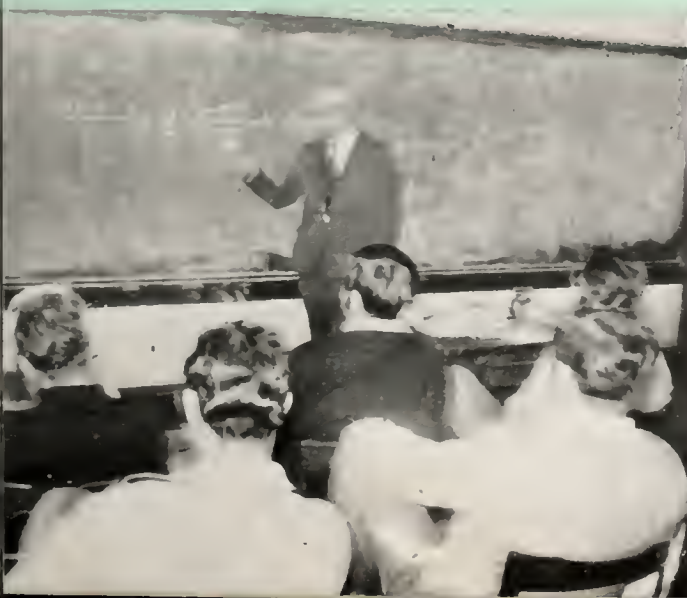

Turning through these coming pages one will find fragments of . . . fun . . . friends . . . work—bound together, forming a pictorial and written memory of our yesterdays of college life. Something not to be enjoyed — today or tomorrow — but afterwards. Flashbacks of that friendly “Good Morning” in the hall everyday . . . the never-to-be-forgotten endowment drive . . . snow . . . who threw the feathers in the hall . . . the team off to Lees-McRae . . . King James . . . coffee and “cramming” for

exams . . . our first band . . . gentlemen, learn this . . . "Peanut" . . . compulsory church . . . and "Sugar-Bobe" better known as "Smoky" . . . yes, these are the rich portraits of P.J.C. that I have tried to preserve. Hope these ———, ———, ——— will always bind you with true college spirit to the Alumni. If I have left out your candid shot or saying . . . fill in the blanks and send to the Alumni what it's worth to you and above all . . . forgive me.

The Editor

“... Unbound Abundance of

To JAMES HENLEY THORNWELL

"Doctor" as he is known to us—needs no titles to his name—his name . . . when spoken . . . sets up the standards of respect and honor at P.J.C. . . . loved by every student . . . respected by faculty. He has done much to keep our heads up . . . built and maintained college spirit . . . set living standards for young manhood. As this annual has set another standard . . . so has the "Doctor". In view of this fact, . . . I dedicate the 1948 BAGPIPE to him. May God bless him from all the students.

Love, Truth and Knowledge"

The

President

STUDENT GOVERNMENT.

The Student Government Association of Presbyterian Junior College is the most responsible student organization on the campus. It is the duty of the association to impress each student with the necessity of self-control, honor, and responsibility. The association is composed of the entire student body, which is governed by the Student Council. Presiding over this council is the President of the Student Body. Other members of the council are the Vice-President and Secretary-Treasurer of the student body, president, vice-president, and chosen student representative from each of the four classes, and the dormitory administrators, the monitors.

The Student Council is entrusted with the enforcement of Student Government regulations, and the maintenance of a steadfast Honor System. Directly upon their shoulders falls the responsibility of student administration.

Business Manager

TOMMY MASTON
Advertising Manager

To keep up with the growing pace of Presbyterian Junior College, the staff of the 1948 BAGPIPE decided to also increase the size of its annual. To date, this is the school's largest annual, if not the best. The reason it has this distinction is the increased amount of work done by the students and faculty members. We hope all have enjoyed their work and feel that they have contributed to make it the standard it is. The Staff hopes to see next year's members continue their interest and increase the BAGPIPE to a "second to none" yearbook.

REV. C. H. MAURY

Advisor

The aim of the Student Christian Association is to make the students feel at home on the campus and to lead students to an abiding Christian faith.

In order that the association might operate on a firm foundation, a number of highways are established. Each highway has a chairman appointed to have charge of the various functions on the campus, and the chairman is responsible to see that these functions are carried out.

T. W. HALL	Advisor

The purpose of the Dramatic Club of Presbyterian Junior College is "to further the knowledge of the art of dramatics and for the enjoyment to the members."

Since the club is one of the college's largest organizations, it is very active.

Just before the Christmas holidays the club presented, very successfully, Dickens' Christmas Carol under the able direction of Mr. T. W. Hall.

Mr. J. H. McLain, chairman of our Faculty Advisory Board, is a man of ability and experience, and the Dramatic Club had a very successful year.

ROBERT JACKSON	JOHN WOLFE
LAWRENCE MATHESON	

The largest and most active organization at P.J.C. is the Veterans Club. The present student body is composed of two-third veterans, and the club has endeavored to be of service to them and, at the same time, a benefit to the college. The most outstanding project was the opening of the Coffee Shop in the Recreation Hall where coffee, donuts, sandwiches, ice cream, and drinks are sold. Several dances were given during the spring term to add to the social activity of the college. The members are grateful to Dean Floyd E. James for his wise council and support which has been a material aid. The club realizes that in a few years it will reach its peak and begin to decline until it no longer exists. The greatest hope is that we set a high standard for future students.

MRS. CLAUDE L. DARLING, JR.	Director
J. REID HOWARD	Assistant Director

The Glee Club of Presbyterian Junior College has functioned for a number of years with success. Participation has been in school, civic, and religious programs.

The first semester of this year, the Glee Club had smooth sailing under the capable direction of Mrs. May Kareis Darling. The highlight of the Glee Club performances was presented during the Christmas season. A Concert was presented, with co-operation of the Girl's Glee Club of Maxton High School, in the Methodist Church of Maxton. In co-operation with the Dramatic Club, presentors of Dicken's CHRISTMAS CAROL, the Glee Club gave several presentations.

Mrs. Darling was unable to be with us the second semester of the school year. Several programs were worked up among the students and presented.

The Glee Club sincerely hopes that they can leave with the student body the desire to make the Glee Club a greater organization in the years to come.

One of the most recently organized and yet one of the most active organizations on campus is the Band, now composed of fifteen members who want to blend their individual talents into a musical aggregation to which P.J.C. can point with pride. The Band has already played at four football games and has been asked to collaborate with other P.J.C. clubs in forthcoming activities. The Band has added to the spirit of the team and the fans at the football games; there can be no doubt. After all, what is football without a Band! We are sure that the Band will add to the enjoyment of the programs now being prepared. We hope that we can soon build up a repertoire that will include all types of music, so that we can present a widely varied concert.

One of the largest and most active clubs in the college is the W. H. Belk Literary Society. This society was organized in 1939 and has remained in an active status.

The purpose of this society is to provide opportunities and establish self-confidence among those who in post-college years will need the ability to speak in public. In providing these opportunities, the society in its weekly meetings has for its programs: round-table discussions, debates, and extemporaneous speeches. These programs are under the capable direction of our two faculty advisors, Mr. Claude L. Darling, II, and Mr. Leland Crawford

A debating team will be selected from those members who are most capable, and inter-collegiate debating will be held with other Junior Colleges in North Carolina.

The radio committee is one of the newest student organizations to be formed. The committee is made up of all students who are interested in writing, directing and broadcasting of programs. The committee has the production of two weekly programs; one-half hour program over WEWO in Laurinburg and one fifteen minute program over WFNC in Foyetteville. In addition to the committee, there is an honorary society called SEGUE, made up of the members of the committee who have attained certain specified initiation qualifications.

REV. D. A. BOWLES	Advisor

The Ministerial Club, under the supervision of Rev. C. H. Maury and Rev. D. A. Bowles, chose as its first project of the year the Skyway Chapel and agreed to have services each Sunday morning.

Each Sunday a member of the Club holds services and thus gives each an opportunity to gain experience in his life's work.

Another project is Religious Emphasis week. This year we had Rev. Samuel H. Zealy, of Washington, N. C., from February 23 through February 27, who spoke to us on our future plans and problems.

We feel, if these projects are carried out well, they will be of great help to our school, and through time and prayer we hope to make them a great success.

E.M.I. 0 — P.J.C. 45

The Scotties opened their 1947 grid season October 4 under lights at the Red Springs Robbins Ball Park by defeating Edwards Military Institute by a score of 45-0.

E. M. I. kicked off to P. J. C. and on five plays the Scotties drove across for a touchdown. During the quarter, it was P. J. C. all the way with Horace Prevatte leading the attack. In the opening minutes of the second quarter, Hub Knox went around right end and, behind some beautiful blocking on the part of "Rabbit" Prevatte, went for a 70-yard run. Knox passed to Conner in the end zone later in the second quarter to make the score 20-0.

In the opening seconds of the third quarter, Albert Rowe roared over right tackle for a 60-yard gallop. Lassiter took the ball on a reverse and ran 20 yards for a touchdown, ending the third quarter. E. M. I.'s only threat came in this quarter when they were able to reach P. J. C.'s 26-yard line.

In the final quarter, E. M. I. took to the air but was able to complete only 1 out of 11 tries. Buddy Powell was superb on pass defense. With only one play left in the ball game, Bowman on an end-around sweep scored P. J. C.'s last touchdown, making the score 45-0.

CAMPBELL 38 — P.J.C. 12

On October 10 at Red Springs the Scotties met that highly favored team of Campbell College. In the first quarter the Scotties got the bad breaks of the ball game with two intercepted passes which were good for T. D.'s. A fumble by the Scotties in the first quarter was a big disadvantage to the home team, for the Camels rolled across for another touchdown. In the second quarter, the Scotties began to roll when Streeter stole the ball from the Camel's fullback and went 70 yards for a touchdown. In the closing seconds of the first half, a 40-yard pass by the Camels went for a touchdown, bringing the score 26-6.

After a few encouraging words from Coach "Pea-

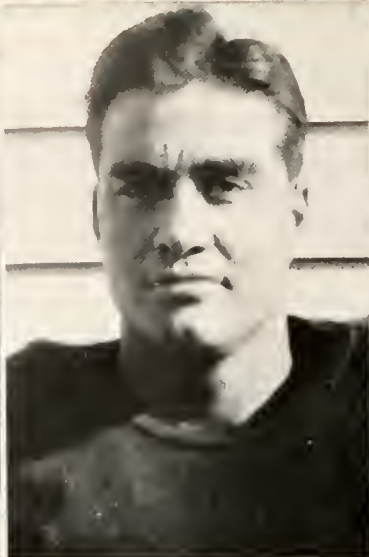

SEASON

BILL MARSH, Leader, "DOT" WINTERS, BETTY JEAN SINCLAIR, BOBBY LEWIS.

"HUB" KNOX

"RABBIT" PREVATTE

HORACE PREVATTE

HUGH BOWMAN

nut" Doak, the Scotties come out on the field full of vigor and pep. Rain began to fall and the field began to get slippery. Campbell kicked off to the Scotties and Knox brought the ball back to P. J. C.'s 40 yard line. After three tries, the Scotties were forced to kick. Campbell took over, but the Scotties held them and they were forced to kick. The Scotties took over but fumbled the slick ball, after which the Campbell Comels possessed in the end zone for a T. D.

The line plunging on the part of Horace and Rabbit Prevatte got the Scotties on the march, and Lassiter on a reverse went for a P. J. C. touchdown. Knox, Evans, and Rabbit Prevatte were injured in the fourth quarter and had to be removed. With a few seconds left in the ball game, the Camels scored their last touchdown when P. J. C. fumbled on the 30 yard line, making the score 38-12 in favor of the Comels.

MARS HILL 6 — P.J.C. 6

Our Scotties were out to seek revenge for the loss suffered last year at Mars Hill, but the best that could be accomplished was a 6-6 tie game.

The Presbyterians scored first as they opened the second quarter with the ball on the Lion's 20 yard line, from which place Knox broke loose and went all the way for a touchdown. Conner missed the extra point.

During the third quarter it was Mars Hill most of the way. Nichols fumbled for the Presbyterians on their own 8 yard line from where Rombaugh of Mars Hill scored. The Lions failed for the extra point when Powell Jones broke through and stopped Rombaugh on an end-around sweep.

Mars Hill let the game slip out of their hands in the fourth quarter when Crocher dropped a pass from Rombaugh in the end zone without a Scottie near him. P. J. C. took over on their own 20 yard line and went to the Mars Hill 20 before they were stopped near the end of the game.

P. J. C. had 13 first downs to Mars Hill's 7. Archie Evons was outstanding in the punting department, kicking for an average of 48.2 yards. Others standing out were Bizzell, Horace and Robert Prevatte.

POWELL JONES

FRANK BONDANELLA

LEON BIZZELL

MAX ORMSBY

BELMONT 0 — P.J.C. 20

This, in all probability, was the most spirited ball game played by the Scotties during the year. Immediately upon receiving the ball on their own 45 yard line, the P. J. C. Scotties scored for the first time in three plays. From the 4B, Nichols plunged for 8 yards. Knox then went to the Crusaders 35 and scored from that place on the next play on an end-around. Hodge's kick from placement was good.

In the same quarter, Knox quick-kicked from the Crusaders' 45, the ball going dead on the 10. On a punt return, Bowman carried the ball to the Crusaders' 30 yard line and scored from that place on the following play.

The third quarter saw a repetition of Knox's quick-kick which went out of bounds inches from the goal line. Belmont's return went higher into the air than downfield, going out of bounds on their own 10 yard stripe. Harace Prevatte passed to Bowman on the fourth down for P. J. C.'s final score. Hodge's place kick was good for the second time.

Belmont scored only one first down in the game and that happened on a 15 yard penalty upon the Scotties in the final quarter. Robert Prevatte, Bizzell, Vance, Laney, Morgan, and Mohn played exceptionally well in the defense.

ASHEVILLE-BILTMORE 0 — P.J.C. 0

With four wins and no defeats, the highly touted Asheville-Biltmore Bombers invaded the backyard of our Scotties and walked off the field dumbfounded, as Coach Doak's white-shirted team played masterful defensive football and held the visitors to a 0-0 tie.

Time and again the Scotties pacemakers, Knox, Rowe and Bowman, tried to break loose for a score, but the heavier Asheville line was just too much. On the other hand, Asheville twice marched slowly to the Scotties' goal line only to be held within the five yard line on both occasions as Vance, Bizzell, Laney, Joe Morgan, and others of the forward wall held stubbornly.

LEES-McRAE 0 — P.J.C. 2

In a game that featured little outstanding action except for stubborn defense, the Presbyterian Scotties eked out a 2-0 victory over Lees-McRae at Banner Elk. The game was hampered by continuous winds and snow while the two elevens battered each other to a standstill for nearly the entire game on a wet and muddy field. In the final moments of the game, the Scotties pushed the Lees-McRae team into their own end zone as Evans kicked a beautiful punt out-of-bounds only a few yards from the goal line. The Lees-McRae team tried to advance the ball, but the runner was stopped as Hodge broke through to nail him and produce a 2-0 victory.

PRESBYTERIAN (S. C.) J. V.'s 7 — P.J.C. 18

The Presbyterian Junior Varsity of Presbyterian College, Clinton, South Carolina were the guests of our Scotties in a cold and wet Homecoming Game, but the visitors were treated rather unkindly as our Scots pulled a 18-7 victory out of the fray.

The powerful home team blocked a total of three South Carolina punts, the last of which netted the final touchdown for Coach Daak's boys in the final quarter when Mullen fell upon the ball in the end zone.

The other two scores of P. J. C. came in the first and second quarters as Connor received a pass from Horace Prevatte for one and Knox scored the other on a brief run.

The South Carolina Presbyterians' only score came in the third period as Jally broke through the center of the Scotties' line and ran for an 85-yard score.

GARDNER-WEBB 13 — P.J.C. 13

In the final game of the year, the Gardner-Webb team came from behind and scored a moral victory

with a 13-13 tie against our Scotties in a cold and wet night game at Shelby, N. C.

Gardner-Webb scored in the first quarter when an aerial and running play produced 62 yards to the 8-yard line. Gardner-Webb scored on the next play, and the conversion was good.

Knox produced the outstanding run of the game in the second quarter when he gathered in a punt on his own 15 and, with some beautiful blocking, raced 85 yards to the goal. Hodge converted to tie the score 7-7.

Knox scored again in the third period when the Scots marched 55 yards in a sustained drive to the Gardner-Webb one-yard line. Gardner-Webb scored after a succession of penalties put the ball deep in the Scotties' territory.

The Plaid ralled up 16 first downs during the game, while Janes, Ormsby, Vance, Williams, and Bizzell stood out in the forward wall as they and their mates held the Gardner-Webb to 5 first downs.

The season ended successfully for Coach Daak in his first season at Presbyterian Junior College as his team completed four wins, tied three, and lost only to the state Junior College Conference champions.

At the end of the season, the coaches voted a Junior College All-State team upon which four outstanding Scottie players were named—Knox, Robert Prevatte, Evans, and Bizzell capturing the coveted honors.

The leading scorer for the season was Nichols while Connor, Knox, Steed, Bowman, and Rowe worked hard. Playing in a conference where six-footers were a dime-a-dozen, a lack of height hurt the team all season. Nevertheless, the boys were always in there scrapping, and all of their opponents on the 18 game schedule knew that they had been in a basketball game.

BULLIS STUDIO

OFFICIAL PHOTOGRAPHER
FOR 1948 BAGPIPE

. . . in sincere appreciation for quality work and quantity
hours to make the 1948 Bagpipe a standard.

MAYNARD ROYSTER
Editor-in-Chief
1948 Bagpipe

BILL BULLIS, Prop.
Laurinburg, N. C.

“When a book raises your spirit, and inspires you with noble and manly thoughts, seek for no other test of its excellence.—It is good, and made by a good workman.”

Brugere

Many good workmen have cooperated in the making of this book. It is a good book.

ANNUAL AND PUBLICATION

P R I N T E R S

114 WEST BLAND ST.

CHARLOTTE,

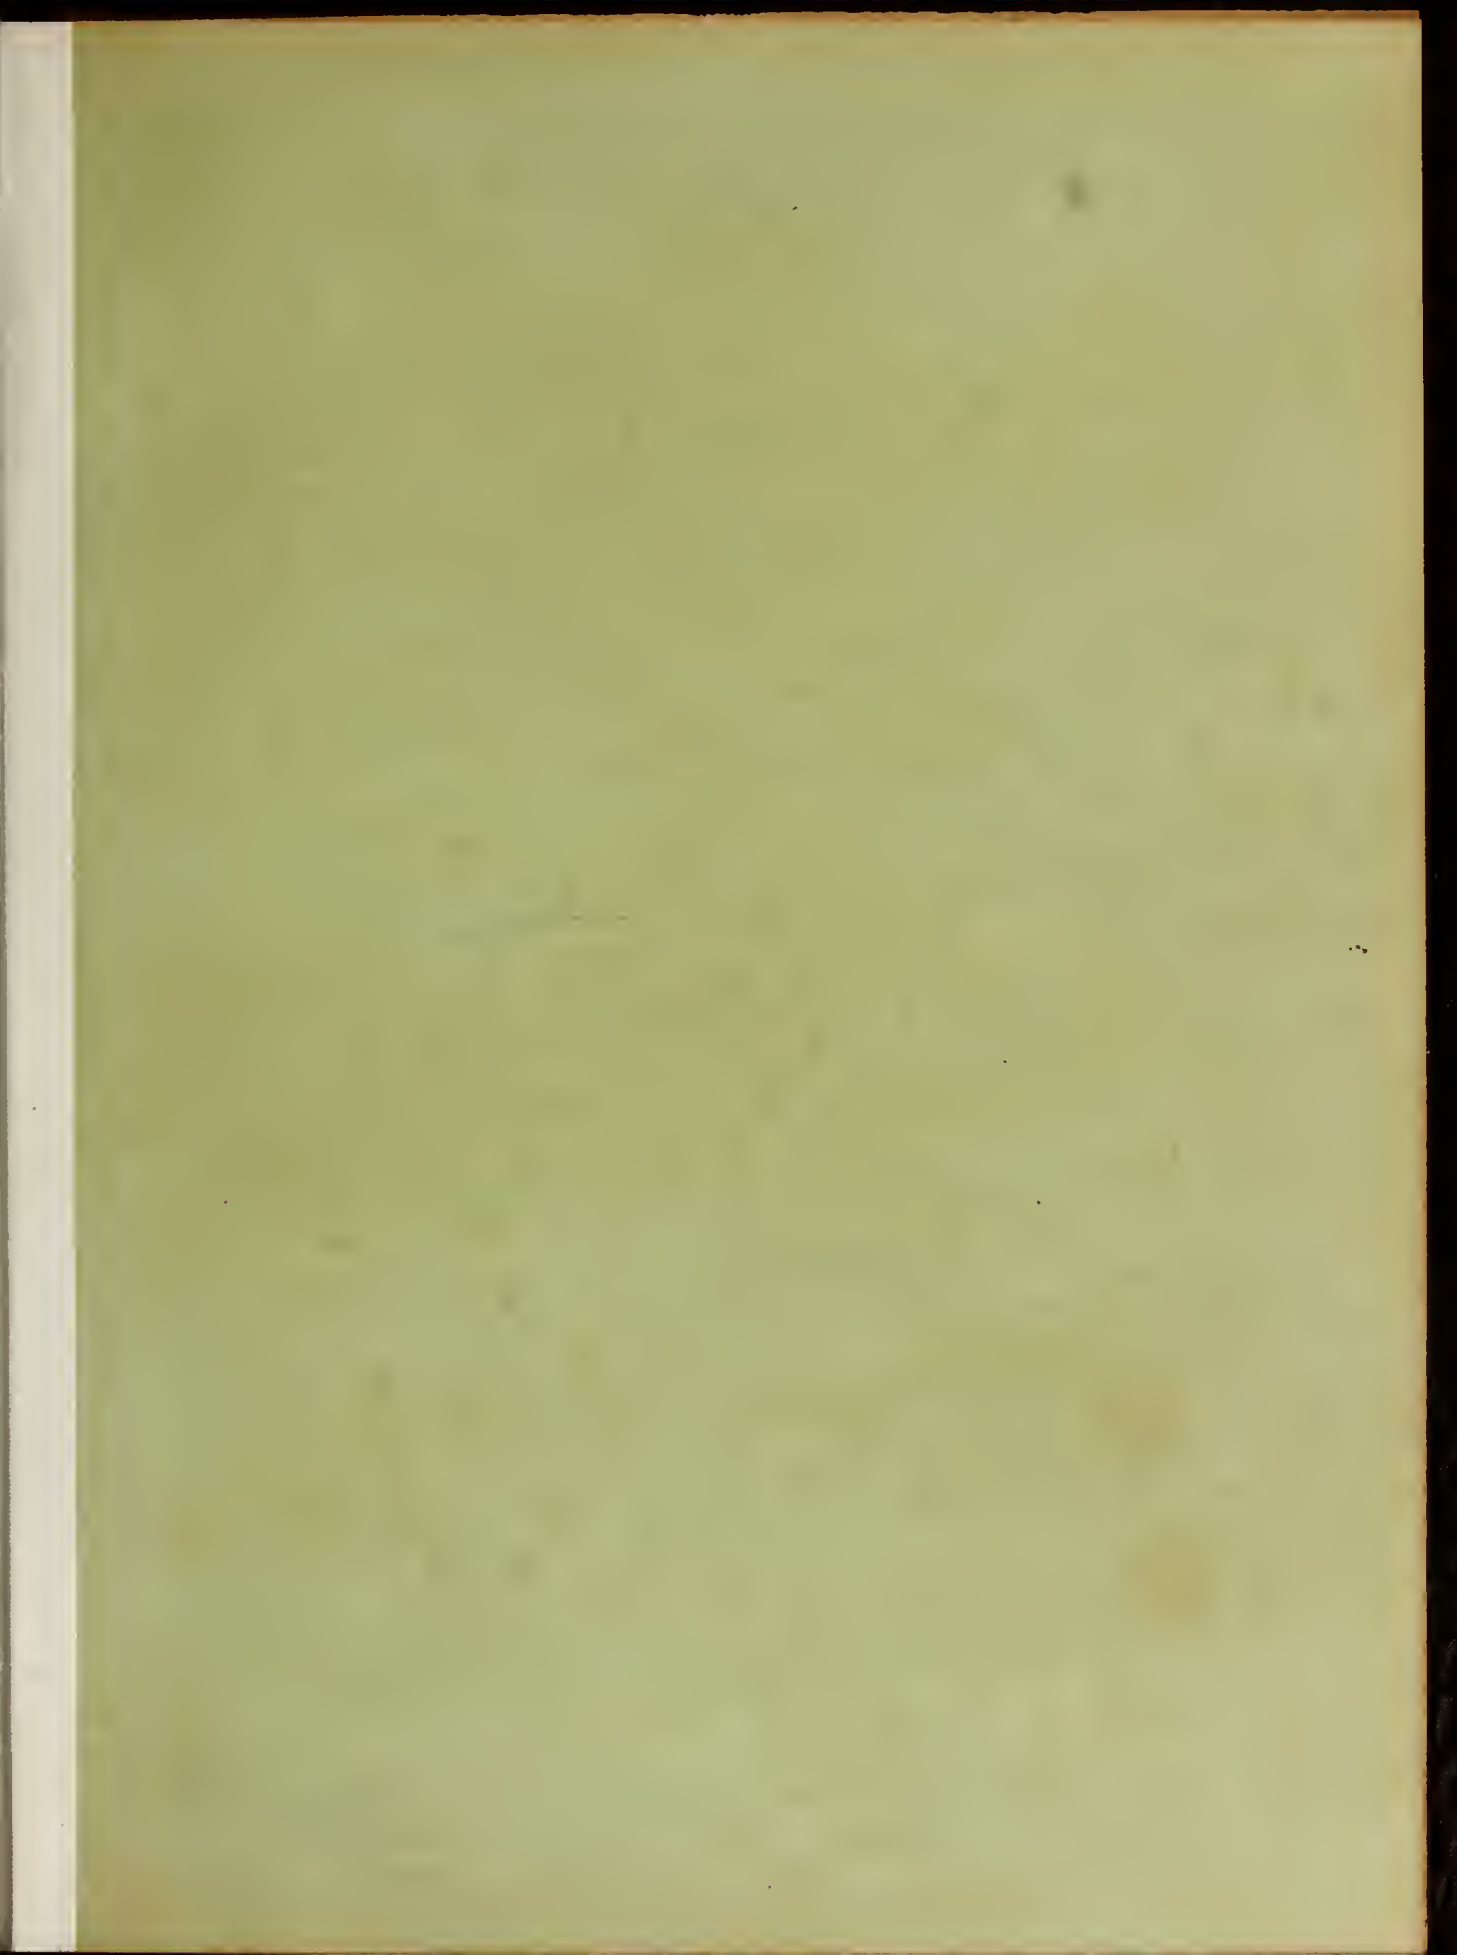

N. C.

Now that we are through . . . may we settle down and in these spare moments express our sincere appreciation to all who have worked with us, abided with us, and inspired us. Thanks to the 1948 BAGPIPE staff, both unofficial and official; to Mr. H. J. Preseren, faculty adviser, for his complete understanding; to Mr. Bierman and Mr. Buck Shelton of the Charlotte Engraving Company for their good sound advice; to Mr. J. W. Hollowell for his patience, kindness, and instructions; to Mr. Bill Bullis for unexcelled photography; to our advertisers for their wonderful cooperation and support in making the 1948 BAGPIPE a standard; to all members of the faculty—their understanding; and to all others who have given unsparingly of their time in making this book the best published.
